We are proud to provide our signature Ambassador table service and eTouch Menu. At Saint Marc, you are in control of your order process. If needed, we are happy to process your order in a more traditional format.

All orders are expedited in our Free Flow Environment where your items arrive as they are prepared and not necessarily together.

Consuming raw or undercooked meats, poultry, shellfish or eggs may increase your risk of food-borne illness, especially if you have a medical condition. At Saint Marc, we have a free flow style of service. All items are delivered to your table as quickly as they are prepared and not necessarily together. As an environmental consideration, water will be served by request only.
